

## BIKING & WALKING TRAILS

### Three Rivers Heritage Trail System

A pedestrian trail and greenway system around Pittsburgh, along both sides of the Allegheny, Monongahela and Ohio Rivers, will extend 37 miles when completed. It is a unique way for cyclists, walkers and runners to connect with Downtown. Visit [www.friendsoftheriverfront.org](http://www.friendsoftheriverfront.org) for detailed information and maps.

### Downtown Bike Racks

When not in use, secure your bicycle to one of the many bike racks that can be found Downtown. See map for locations.

### Rack 'n Roll

All Port Authority bus routes are equipped with bike racks. Visit [portauthority.org](http://portauthority.org) to view a video on using the bike racks. Bikes can also be brought aboard the T or Mon Incline at any time and stowed in the designated wheelchair spaces. However, riders in wheelchairs have priority over bicycles.

## SELECTED TRANSPORTATION RESOURCES

### [www.portauthority.org](http://www.portauthority.org)

Check out the Downtown free bus fare zone, free before 7 p.m., 7 days a week.

Don't miss the T Free Fare zone including all T stations from First Avenue to Allegheny Station on the North Shore – it's free 24/7.

### [www.commuterinfo.org](http://www.commuterinfo.org)

Your source for commuting options including carpooling, vanpooling, bikepool and Park-n-Ride facilities in southwestern Pennsylvania.

### [www.zipcar.com](http://www.zipcar.com)

Learn how to become a member of Zipcar and take advantage of this great carsharing option. Vehicles located in Downtown can be reserved online 24/7 for an hourly or daily fee.

### [www.walkpittsburgh.org](http://www.walkpittsburgh.org)

This site provides information on walkability and support for pedestrians.

### [www.bikepgh.org](http://www.bikepgh.org)

Pittsburgh's best resource for bikers includes maps, resources, event and safety information.

## PITTSBURGH BIKE SHARE COMING 2014

Bike share, a system of bicycles available for short-term use by annual or short-term (24 hr) members, will launch in 2014. The 500 bikes, designed to be sturdy, vandal-proof and safe, are used for "point-to-point" trips and can lock into any of the 50 solar-powered stations planned throughout the City of Pittsburgh.
