

ABOUT OUR CLUBS & ORGANIZATIONS

WLU is home to **more than 50 student organizations** providing opportunities for students to engage with a wide variety of interests and activities. All organizations have specific goals, objectives, and functions. There is something for everyone, whether interests are social, religious, special, professional, departmental, or honorary. And if there isn't a current group that involves your interests, **CREATE** one! The Office of Housing and Student Life helps make the process of making a new club or organization **EASY!**

This involvement can provide students a foundation for success, a passion for learning and a commitment to responsible global citizenship, while fostering creativity and service. Organizations can not only provide membership but a safe home where students can pursue their passions.

WLU CAMPUS ACTIVITIES BOARD

Campus Activities further seeks to provide leadership, involvement, and engagement opportunities for students in the planning, proposal, promotion, and presentation of a variety of activities. These activities are designated to serve the cultural, educational, and social interests of the West Liberty community.

Campus Activities and Student Government traditionally sponsor, plan, promote, and present several major events yearly.
