

WEST LIBERTY UNIVERSITY

MASTER OF SCIENCE IN SPEECH-LANGUAGE PATHOLOGY

The Master of Science (M.S.) education program in speech-language pathology (residential) at West Liberty University is a Candidate for Accreditation by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language-Hearing Association.

WE NEED YOU!

HERE IS WHERE YOU COME IN!

During the site visit, you will have the opportunity to share your experiences with the CSD department from a variety of standpoints, including a student, community member, or clinic patient.

You can do this two ways:

- (1) By **SUBMITTING** written comments prior to the accreditation site visit in accordance with the procedures specified on our website at www.westliberty.edu/msslp
- (2) By **ATTENDING** in-person or via Zoom and providing comments at a public meeting during the program's scheduled virtual site visit. This meeting will be on **Wednesday, April 17th, 2024 from 12:00-12:30.**

ATTENTION! **CALL FOR PUBLIC COMMENT**

At this time, a public meeting will be held to allow interested parties to listen, ask questions, and make comments with the accreditors in regard to WLU's master's program. All feedback will remain confidential and will not be shared with anyone outside of the meeting.

The public meeting will be both in-person or virtually. All past, present and future students, faculty, staff, clients and interested parties are welcome.

If you interested in joining the meeting, please contact Dr. Stephanie Bradley, Department Chair at 304-336-8100 or Dr. Carol Zombotti, Clinic Director at 304-336-8523.

Thank you for your presence at the meeting and supporting our program!
