EDUC 373 C & M in Health Education (requires admission to Education)	3		
--	---	--	--

General studies, professional education and electives to total 128 hours. A second specialization is strongly recommended.

Prior to the start of the Professional Semester, **all** education majors must submit and present a professional portfolio **including passing scores for all required state certification tests for each endorsement area** in which they intend to student teach. The Director of Student Teaching **must** approve portfolios **prior to the start** of the Professional Semester. Students who have not passed all appropriate tests and/or do not present an approved portfolio prior to the start of the Professional Semester **will not be permitted to register for professional semester courses or student teaching.**

Students must have a 2.5 GPA overall and in each specialization to student teach.
