# WLU 2015 Summer

May 26-June 27, 2015

# Strasbourg, France

French Language & Cuisine

## STRASBOURG

Strasbourg is the perfect place to have fun, stimulate your intellect, and EAT. It has flavors of both France and Germany, sitting just on the border of the two countries. A city of contrasts, it boasts picturesque medieval neighborhoods ("la Petite France") as well as cutting-edge transportation, restaurants, and arts. Foreigners visiting Strasbourg are welcomed by a vibrant international community. Strasbourg is also particularly student-friendly, thanks to its four universities.
