

## Bloodborne Pathogens Training Record

I have attended Bloodborne Pathogen training on this date. The training consisted of the following:

1. An explanation and copy of the regulations concerning the subject.
2. An explanation of the epidemiology and symptoms and modes of transmission of bloodborne diseases.
3. A description of the procedures to be followed to prevent exposures and their limitations.
4. An explanation of the appropriate actions to take and persons to contact in an emergency involving blood or other potentially infectious materials.
5. An explanation of the procedure to follow if an exposure incident occurs.
6. Information on the post-exposure evaluation and follow up that the employer is required to provide following an exposure incident.
7. An explanation of the signs, labels, and color coding of waste.
8. Information on the types of personal protective equipment and clothing, including how to use them and their limitations and an opportunity to practice using them.
9. Information on the disposal or cleaning of contaminated equipment or clothing.
10. An explanation of the benefits and availability of the Hepatitis B vaccination.
11. An opportunity for interactive questions.
