

HEPC PROGRAM REVIEW SUMMARY

Degree Program:	
Chair/Program Director:	
External Reviewer	
Reviewer Email:	

1. Provide a synopsis of significant findings from the external review
 - A. Program Strengths:
 - B. Program Challenges:
 - C. Recommendations:
2. Address weaknesses or deficiencies from previous review and describe how these have been addressed.
3. Five-year data on graduates and majors enrolled: **(Numbers provided by the Office of University Effectiveness)**

			HEPC Series 10 Productivity Standards		
AY	*Enrollment	**Awards	Programs are required to meet at least one of the indicators listed below.		
2020-21			Average of Five Most Recent Years		
2019-20			Degree Level	Awards	Enrollment
2017-18			Baccalaureate	5	12.5
2016-17			Masters	3	4.5
2015-16					
5-YR AVG					
* Official fall census headcount					
** IPEDS Graduation data (July 1 - June 30)					

4. What is the process for assessment of student learning? Include timeline of assessment implementation, and describe how data is collected and used for program improvement. A summary of the assessment update submitted in LiveText is appropriate. If you need assistance with LiveText, please contact Sarah West (sarah.west@westliberty.edu).
5. Describe how the previous recommendations of the Assessment and Accreditation Committee have been addressed.
6. Provide data on student placement and include the number of students employed in positions related to their field of study or the number of students pursuing advanced degrees. **(Please do not use student's names)**
