Institutions are encouraged but not required to complete Report Mapping, Institution Identification, and IC Header during the Registration period.

Report Mapping (if applicable) and Institution Identification must be completed, and IC Header must be locked before the Fall surveys can be started. Report Mapping and IC Header are available until the end of the Fall collection. Institution Identification is available through Spring.

On August 26, NCES will review the registration status of each institution. If an institution has not registered as of this date, a letter will be sent to the CEO requesting appointment of a new keyholder.
